All frozen food items must arrive in a hard frozen state.**
- G. **PRODUCT RECEIVED IN CONDITION THAT WOULD RENDER IT UNFIT FOR HUMAN CONSUMPTION:** All products delivered will be processed and packed in accordance with good commercial practices. Any food product offered for delivery that has, in the expert opinion of the Warehouse Manager, the Food Services Staff, the local Health Department, or USDA Health Inspector, been for any reason rendered unfit for human consumption, will be refused and returned to the shipper at the shipper's expense or otherwise disposed of at the direction and expense of said shipper. Any frozen product that has thawed and or shows signs of thawing and re-freezing would fall in the above category.

## VI. INVOICES, STATEMENTS AND PAYMENT

Invoices for the purchases of food and all non-food supplies made for the District's Food Service Program will be paid by the Food Service Accounting Office. In order to facilitate the handling of these invoices, all vendors must adhere to the following instructions since delivery of product to our central warehouse may be made several ways, invoicing should be handled as follows:

- A. **DELIVERIES MADE BY BIDDER'S OWN CONVEYANCE:** When deliveries are made via the bidder's own conveyance, delivery receipts or packing slips should accompany the merchandise to the warehouse. An original and two (2) copies will be provided the Warehouse Manager (or his authorized representative) who will sign all copies if the shipment is complete and in good order. The Warehouse Manager will retain the original and one (1) copy and provide the vendor with a signed third copy. Should there be any discrepancy, damaged goods, incorrect product, shortages, etc., the vendor's driver will contact his company for permission to correct the delivery receipt or packing slip on the spot, and all discrepancies shall be noted on delivery receipt or packing slip.
- B. **DELIVERIES MADE VIA COMMON CARRIER OR TRUCK:** When the deliveries are made via common carrier or truck, delivery receipts or packing slips must accompany or precede the actual delivery of product to the warehouse manager via the U.S. Mail. In case any product is received with in transit damage, our warehouse manager will have an exception made on the common carrier freight bill and/or delivery receipt regarding the extent of damaged product and forward you a copy of said freight bill or delivery receipt so you may file claim, including refusal of delivery on damaged goods. Our Food Service Accounting Dept. will deduct from your invoice, for all shortages, damaged items, etc. Barring delays due to unresolved discrepancies, you may expect to receive payment for products within ten (10) days of our receipt of your invoice.
- C. **INVOICE SUBMISSION:** Invoices must be submitted in triplicate (original and 2 copies). All invoices, copies of delivery receipts and statements are to be mailed to:

School District of Escambia County  
Food Service Accounting – Room 216  
75 North Pace Blvd.  
Pensacola, FL 32505

- D. **CERTIFICATIONS:** The supplier is required to certify on each invoice that fresh or frozen domestic beef or pork meets all standards and inspection requirements of Florida Statutes.

- E. **INVOICE/PACKING LIST NOTATIONS:** All invoices, packing lists, and relevant documentation should reference the appropriate purchase order and the seven digit School District item identification number shown in the detail specifications.

## VII. COMMODITY EXCHANGE AGREEMENT

- A. **COMMODITY EXCHANGE ITEMS:** There may be items designated in the product specifications as Commodity Exchange items whereby approved processors have contracted with the United States Department of Agriculture to receive certain commodity foodstuffs. In these instances the bidder will provide the School Board with any necessary documents required by USDA to substantiate delivered quantities of each item and to negotiate with said processors and to pass the savings accruing from the donated foodstuffs along to the School Board.
- B. **PROCESSOR AGREEMENT:** If bidding under these conditions, an agreement signed by the processor must be submitted in triplicate as part of this solicitation. Attached to the agreement (or submitted separately if an agreement is already in force) shall be a price schedule listing the item, pack, dollar value of the commodity allowance and the net price to the School Board.
1. A subsequent price adjustment may be made in accordance with state contract stipulation, provided the School Board receives 30 days advanced notice and receives a new price schedule as described above.
  2. Invoicing of commodity exchange agreement items will be at the exchange price.
  3. If awarded the item(s), the School Board shall then sign the agreement which will be effective for the life of this solicitation.

**VIII. SPECIFICATIONS AND PRICING**

**PLEASE NOTE:** Each Item listed has space for you to indicate portion or container (can/box/package/pail) size and the number of portions or containers per case. If the number of containers per case is one (1), then state 1 in the appropriate box. This information must be filled out even if your packaging exactly matches the specifications. See Section III, F for policy on imported products. For all items bid, even on pre-approved brands, you must list both the brand and who the item is packed by.

## DRUG FREE WORKPLACE

Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a RFP received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process.

Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

- 1) Publish a statement notifying employees that the unlawful manufacture distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
- 2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
- 3) Give each employee engaged in providing the commodities or contractual services that are under the RFP a copy of the statement specified in subsection (1).
- 4) In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under, the employees will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
- 5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
- 6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

**Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Required for Lower Tier Covered Transactions Over \$100,000 per Bid, Contract or for Requests for Proposals**

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension 7 CFR Part 3017, Section 3017.510, participants responsibilities. The regulations were published as Part IV of the January 30, 1980, Federal Register (pages 4722-4733). Copies of the regulations may be obtained by contacting the Department of Agriculture with which this transaction originated.

Before Completing Certification, Read Instructions On The Following Page

The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or have been voluntarily excluded from participation in this transaction by any federal department or agency.

Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participants shall attach an explanation to this proposal.

## Instructions for Certification

By signing and submitting this form, the prospective lower tier participant is providing the certification set out on the reverse side in accordance with these instructions.

The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

The terms “covered transaction”, “debarred”, “suspended”, “ineligible”, “lower tier covered transaction”, “participant”, “person”, “primary covered transaction”, “principal”, “proposal”, and “voluntarily excluded” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

The prospective lower tier participant further agrees by submitting this form that it will include this clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

A participant in a covered transaction may rely upon a certification of prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
