# Graduation Options

[Click here for more information regarding each graduation option](#)

1

## 24 Credit Option

Standard High School diploma option. Recognized nationally by colleges and universities.

2

## 18 Credit ACCEL Option

Used mainly for acceleration for students who want to graduate early. Focuses on core class with limited electives.

3

## CTE Pathway Option

An 18-credit option for students in career and technical education and work-based learning programs.

# Credit Recovery/ Grade Forgiveness

Students are able to recover missing credits for core classes in a variety of ways.

- **Florida Virtual School**
  - Students can register online at: [www.flvs.net](http://www.flvs.net) and can work on one online course on top of their current class schedule.
- **Community School (Night School) and Summer School.**
  - Night School - Fall (1 Session)/ Spring (2 Sessions)
  - Summer School - 2 Sessions
  - Students can sign up through their guidance counselor.

# Community Service

- Community Service is NOT a graduation requirement, however it is needed for Bright Futures and many outside scholarship opportunities.
- Most clubs and organizations require community service hours as part of their yearly activities to remain in good standing.
- Document all hours on our ECPS community service logs (Available online on the school website or in the Guidance Department)
- When students complete a community service form they can turn it in to their counselor to place in graduation status history and on transcript.
