To protect any confidential information contained in their Proposal, companies must invoke the exemptions to disclosure provided by law in response to the RFP, and must identify the data and other material to be protected, and must state the reasons why such exclusion from public disclosure is necessary.
- C. **WARRANTY:** All goods and services furnished by the Responder, relating to and pursuant to this RFP will be warranted to meet or exceed the Specifications contained herein. However, upon award and subsequent default by Responder, the School District reserves the right to pursue any or all of the following remedies: (1) to accept the next lowest available RFP price or to purchase materials or services on the open market, and to charge the original awardees for the difference in cost via a deduction to any outstanding or future obligations; (2) the Responder in default will be prohibited from activity for a period of time determined by the severity of the default, but not exceeding two years; (3) any other remedy available to the School District in tort or law.
- S. **AUDIT AND INSPECTION:** The District or its representative reserves the right to inspect and/or audit all the Responder's documents and records as they pertain to the products and services delivered under this agreement. Any ambiguities or inconsistencies shall be brought to the attention of the designated Procurement Specialist in writing at least seven workdays prior to the opening date of the proposals. - N. **IRRADIATION PROCESS:** Do not offer any food items preserved by the use of an irradiation process.
- O. **SPECIFICATIONS:** Proposals must be submitted in strict accordance with the specifications contained herein; if vendor is submitting a proposal not conforming to specifications, please indicate this in the pricing section. Complete information and product specifications must be included with the proposal and samples must be provided as described on page two.
- P. **FEDERAL FOOD, DRUG AND COSMETIC ACT, THE MEAT INSPECTION ACT, AND THE POULTRY PRODUCTS INSPECTION ACT:** All products delivered shall conform in all respects to applicable standards promulgated under the Federal Food, Drug and Cosmetic Act, the Meat Inspection Act, and the Poultry Products Inspection Act in effect at the time of delivery.
- Q. **INCOMPLETE RFP INFORMATION:** Failure to submit complete information on an item may prevent consideration of your proposal for that item.
- R. **WHOLE GRAIN RICH:** Where the term “**whole-grain rich**” appears in the specifications for any of the products listed in the solicitation, whole-grain rich means the product must contain at least 51% whole grain flour.
- S. **PROCESSING AND DELIVERY CONDITIONS:**

 2. All products delivered shall have been processed and packed in accordance with good commercial practices. All meat items on this proposal must be inspected and passed by the U.S. Department of Agriculture Meat Inspection Division.

- T. **COMMODITY PROCESSING AGREEMENT REQUIREMENT: Responder must be on the State of Florida approved USDA Food Processor list in order to submit a proposal.** Proposals will not be accepted, nor will commodity processing orders be placed with any firm not listed on the State of Florida approved USDA Food Processor's list. Proposals will not be accepted from any third party on behalf of a processor. Proof that you hold an approved processing agreement is required prior to the School District contracting for commodity processing. Award will be made only after the District's Food Services Department consults the Department of Agriculture and Consumer Services (DACS) Processor Summary/End Product (SEPDS).
- U. **DELIVERY/FREIGHT CHARGES: DACS requires that all freight charges for pickup and/or delivery be paid by the processor and these charges shall be included in proposed price.** Delivery charges

on any USDA-donated commodity food item delivered to the processor will be prepaid by USDA OR OTHERS. The processing cost proposed must be the School District's delivered cost of the finished processed product (freight to our warehouse must be pre-paid by successful vendor). All prices proposed will be compared with the approved DACS Processor End Product Summary prior to award, and all prices proposed higher than the DACS Processor End Product Summary for product should separately identify attendant handling and/or delivery cost in order to determine true cost of processing. Handling and delivery costs, if billed separately, must be noted on the original invoice document.

- V. **CHILD NUTRITION (CN) LABEL:** The School District of Escambia County prefers that the final processed product carry the Child Nutrition (CN) Label if available. Please indicate if this label will be available on our processed products.
- W. **INTERMINGLING OF INCOMING AND STORED COMMODITY FOODS:** There will be no intermingling of incoming and stored USDA donated beef, pork or chicken commodity products with the processor's own product. - X. **SCHOOL DISTRICT INSPECTIONS:** The School District of Escambia County shall be permitted to inspect the processor's inventory of USDA donated commodity products or the School District's bulk or processed items that he has on hand at any time.
- Y. **GROUND BEEF:** When beef commodities are to be processed, the School District of Escambia County will expect at least a 97% processed product yield on uncooked pure beef due to normal blood and water extraction while pattying. This does not apply to charbroiled or char-grilled beef patties. For each 100 lbs. of product released to the Responder, at least ninety-seven (97) lbs. of processed product will be returned to the School District of Escambia County.
 - 1. In the case of USDA commodity ground beef delivered for processing in bulk frozen state, spices will be added as per vendor's normal recipe, then be formed into all meat patties yielding a minimum 2.0 oz. (or as specified in the purchase order) of cooked, lean meat as specified by USDA, flame broiled with sear marks, then Individually Quick Frozen (IQF).
 - 2. In the case of processing fresh ground beef into patties, the School District of Escambia County prefers that patties be scored by a Formax Machine for more even heat distribution in final cooking. Please indicate if such scoring is available.
- Z. **GROUND PORK:** When pork commodities are to be processed and ground pork is to be processed into patties, only mild seasoning formulation is desired.
- AA. **CONDITION OF PRODUCT AT TIME OF DELIVERY:** Responders shall assure that refrigerated trucks are used to protect products during transport and that these trucks comply with all ServSafe/Haaccp (Hazard Analysis Critical Control Points) regulations. At destinations, all products shall be in compliance with applicable specifications and will be reexamined by the consignee for cleanliness and soundness.
- BB. **DELIVERY EQUIPMENT (REFRIGERATED AND FROZEN FOOD):** The successful Responder(s) and/or his delivering carrier shall utilize properly insulated, mechanically cooled, thermostatically controlled equipment. The proper temperature of 35F to 38F degrees will be maintained for cooler (non-frozen) products and 0 (zero) F degree or below for frozen food items. **This shall be evident upon its arrival at the District Warehouse. All frozen food items must arrive in a hard frozen state.**
- CC. **PRODUCT RECEIVED IN CONDITION THAT WOULD RENDER IT UNFIT FOR HUMAN CONSUMPTION:** All products delivered shall have been processed and packed in accordance with good commercial practices. Any food product offered for delivery that has, in the expert opinion of the District Warehouse manager, the Food Services Staff, the local Health Department, the USDA Health Inspector, been for any reason rendered unfit for human consumption shall be refused and returned to the shipper at the shipper's expense or otherwise disposed of at the direction and expense of said shipper. Any frozen product that has thawed and/or shows signs of thawing and re-freezing would fall in the above category.

DD. **FOOD SAFETY AND RECALLS:** Ensuring the safety of the food supply is critical to the District. Manufacturers, Processors, and Distributors shall comply with all federal, state, and local laws and regulations and will be liable if they do not. The Processor shall have a process in place to respond to a product recall to address the following objectives:

A. **COMMODITY EXCHANGE ITEMS:** Responder must be an approved processor with the United States Department of Agriculture to receive certain commodity products. In these instances, the Responder will provide the School District with any necessary documents required by USDA to substantiate delivered quantities of each item and to negotiate with said processors and to pass the savings accruing from the donated products along to the School District.

B. **PROCESSOR AGREEMENT:** If offering under these conditions, an agreement signed by the processor must be submitted in duplicate as part of this RFP. Attached to the agreement (or submitted separately if an agreement is already in force) shall be a price schedule listing the item, pack, dollar value of the commodity allowance and the net price to the School District.

1. A subsequent price adjustment may be made in accordance with state contract stipulation provided the School District receives thirty (30) days advanced notice and receives a new price schedule as described above.

2. Invoicing of commodity exchange agreement items will be at the fee for service price.

C. **REQUIRED SAMPLES:** Samples are required under the circumstances listed below.

1. The products offered have not been previously approved or used by the Escambia County School District Food Services Department.

2. The Food Services Department of the Escambia County School District may request samples of products for review that have been approved and purchased previously for the following reasons:

a. School Cafeteria Managers indicate there has been a decrease in product quality.

b. Manufacturing firm or process has changed since product was last tested by Escambia County School District.

The markings may be legibly stenciled, mechanically printed and/or applied with the use of mechanically printed label(s) on the container in lettering and numbers not less than .375 inch (3/8 inch or 9.5mm) high. When using labels they shall be applied to prevent their removal in intact form.
 2. The markings shall be located in the following sequence on one end of the container:

VII. INVOICES, STATEMENTS AND PAYMENT

Invoices for the purchases of food and all non-food supplies made for the District's Food Service Program will be paid by the Food Service Accounting Office. In order to facilitate the handling of these invoices, all vendors must adhere to the following instructions since delivery of product to our central warehouse may be made several ways, invoicing should be handled as follows:

- A. **DELIVERIES MADE BY VENDOR'S OWN CONVEYANCE:** When deliveries are made via the vendor's own conveyance, delivery receipts or packing slips should accompany the merchandise to the warehouse. An original and two (2) copies will be provided the Warehouse Manager (or his authorized representative) who will sign all copies if the shipment is complete and in good order. The Warehouse Manager will retain the original and one (1) copy and provide the vendor with a signed third copy. Should there be any discrepancy, damaged goods, incorrect product, shortages, etc., the vendor's driver will contact his company for permission to correct the delivery receipt or packing slip on the spot, and all discrepancies shall be noted on delivery receipt or packing slip.
- B. **DELIVERIES MADE VIA COMMON CARRIER OR TRUCK:** When the deliveries are made via common carrier or truck, delivery receipts or packing slips must accompany or precede the actual delivery of product to the warehouse manager via the U.S. Mail. In case any product is received with in transit damage, our warehouse manager will have an exception made on the common carrier freight bill and/or delivery receipt regarding the extent of damaged product and forward you a copy of said freight bill or delivery receipt so you may file claim, including refusal of delivery on damaged goods. The Food Service Accounting Dept. will deduct from your invoice, for all shortages, damaged items, etc.
- C. Barring delays due to unresolved discrepancies, the vendor may expect to receive payment for products within thirty (30) days of our receipt of your invoice.

Although all pricing is requested for reporting purposes, the Fee for Service Price will be the pricing used for invoicing the District. The value of donated food in the end products must be provided in the pricing listed below. Unless otherwise stated in the item description, all products listed in this RFP are to be delivered and arrive in a hard, frozen state. If you are offering product that will not be delivered frozen, state that in the comments section for that item. Refer to Section III, Special Conditions, Item K for policy on imported products. DRUG FREE WORKPLACE

Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a RFP received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process.

Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

- 1) Publish a statement notifying employees that the unlawful manufacture distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
- 2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
- 3) Give each employee engaged in providing the commodities or contractual services that are under the RFP a copy of the statement specified in subsection (1).
- 4) In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under, the employees will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
- 5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
- 6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

Instructions for Certification

- (1) By signing and submitting this form, the grantee is providing the certification set out on pages 1 and 2 in accordance with these instructions.
- (2) The certification set out on pages 1 and 2 is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
- (3) Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
- (4) Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
- (5) If the workplace identified to the agency changes during the performance of the grant, the grantee must inform the agency of the change(s). If it previously identified the workplaces in question, see instruction (3) above.
- (6) Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:
 - "Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act, 21 U.S.C. §812, and as further defined by 21 CFR §§ 1308.11-1308.15.
 - "Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes.
 - "Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance.
 - "Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) all "direct charge" employees (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant and, (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement, consultants or independent contractors not on the grantee's payroll, or employees of subrecipients or subcontractors in covered workplaces).
