# Long Term Disability Insurance

# **What Your Benefit Provides**

This is the amount per month you would receive if you experience a qualifying disability. Eligible earnings are your monthly insured predisability earnings, as defined by the group policy. Your monthly benefit will be reduced by deductible income. Please see the Important Details section for a list of deductible income sources.

60 percent of your eligible earnings, up to a maximum benefit of \$6,000 per month.

Plan minimum per month: \$100 or 10 percent of the Long Term Disability benefit, whichever is greater

# **Benefit Waiting Period**

If you experience a qualifying disability, your benefit waiting period is the length of time you must be continuously disabled before you become eligible to receive your monthly benefit.

180 days

# **How Long Your Benefits Last**

This is the maximum length of time you could be eligible to receive disability benefits for a continuous disability.

Until your Social Security Normal Retirement Age (SSNRA)

Depending on your age at the time of disability, your benefits may be subject to a different schedule. Refer to the Maximum Benefit Period table in the Important Details section for specifics.

See the Important Details section for more information, including requirements, limitations, exclusions and definitions.

# Additional Features

### **Help With Returning To Work**

This plan provides incentives to help you get back to work. For instance, you'll get help paying for some of the expenses associated with participating in an approved rehabilitation plan.

If a worksite modification would enable you to return to work, the coverage can help your employer make approved modifications.

### **Survivors Benefit**

If you die while receiving benefits, your survivor may be eligible to receive a one-time additional payment.

# **Assisted Living Benefit**

Your benefit will be increased by 20 percent of your predisability earnings when you are unable to perform two or more activities of daily living or are experiencing severe cognitive impairment. The maximum benefit amount cannot exceed \$2,000 in addition to the Long Term Disability benefit.

# How Much Will Your Insurance Cost

Because this insurance is offered through School District of Escambia County, you'll have access to competitive group rates that may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck.

How much your premium costs depends on a number of factors, such as your benefit amount. Your monthly rate is 0.656 percent of your insured monthly earnings.

# Use this formula to estimate your monthly premium payment:

	x	0.656	÷ 100 =	
Enter your monthly earnings (cannot be more than \$10,000).		Rate percent of insured earnings.	_	This amount is an estimate of how much you'd pay each month

Getting by without a paycheck isn't easy, especially for an extended period of time. Make sure you have enough financial protection to help you cover your housing costs, utilities and other bills.

To estimate your insurance needs, you'll need to consider your unique circumstances. Use our online calculator at standard.com/disability/needs.

All late applications (applying 31 days after becoming eligible) and reinstatements are subject to medical underwriting approval. Employees eligible but not insured under the prior long term disability insurance plan are also subject to medical underwriting approval. Please contact your human resources representative or plan administrator for more information regarding the requirements that must be satisfied for your insurance to become effective.

### **Definition of Disability**

- You are unable to perform with reasonable continuity the material duties of your own occupation, and

You are not considered disabled merely because your right to perform your own occupation is restricted, including a restriction or loss of license.

After the own occupation period of disability, you will be considered disabled if, as a result of a physical disease, injury, pregnancy or mental disorder, you are unable to perform with reasonable continuity the material duties of any occupation.

### **Maximum Benefit Period**

If you become disabled before age 62, Long Term Disability benefits may continue during disability until age 65 or to the Social Security Normal Retirement Age (SSNRA) or 3 years, 6 months, whichever is longest.
