WEBSITES

FOR THE TECH SAVY STUDENT

Do you love working with the latest technology? Do your friends come to you for technical advice? If you answered yes to those questions, website is the category for you! Read below for tips on website creation.

Websites can be created individually, or in a group of up to five students.

You must create your website using nhd.weebly.org.

Websites may include multimedia clips, but the total running time cannot exceed four minutes.

All images, film, and music used must be credited on the website and in the annotated bibliography.

In addition to creating your website, you will need to write a process paper and an annotated bibliography.

Your website can contain up to 1,200 student-composed words. Don't forget to include the word count on the home page!

Head to our website for further information:
