We appreciate your service!!**

## Coach's Corner

Let's continue to learn more about self-care and the things we can do to help take care of ourselves. It is important for us to make sure we take care of our body. The healthier you are, the easier it will be to cope with stress and negative feelings. Make sure you are getting enough sleep every night, getting involved in some form of physical activity, and eating healthy foods. All of these will contribute to keeping our bodies healthy.

Have you ever heard that laughter is the best medicine? Self-care isn't just about you, it's also about who you surround yourself with. You want to make sure you are around people you enjoy and have a good time with. Surround yourself with people who make you happy. This includes staying away from people that might stress you out or make you feel down about yourself. Choose your friends wisely.

## GUIDANCE CORNER

Students will participate in Gulf Coast Kid's House MBF Child Safety Matters program within each K-5 classroom November 6-9th.

The MBF Child Safety Matters program addresses the critical safety issues faced by children today including bullying, cyberbullying, digital abuse, and all types of child abuse. The program teaches these topics to children in easy to understand language, and engages children in a fun classroom program with activities, games and appealing take-home reinforcement items.

Children learn that adults are responsible for their safety, the MBF Child Safety Matters Safety Rules, and other strategies to help adults keep them safe. Schools, communities and society benefit from safer, healthier children who perform better academically and enjoy healthier, happier, more productive lives.

## All County Chorus

Scenic Heights All County Chorus members had a stellar performance at the Saenger Theatre last week. We are so proud of these talented students!

### Partners in Education

Thank you for giving back to local schools! Your support is appreciated!

### Bubba's 33 will host Spirit Night for Scenic Heights on Nov. 7th from 5-8 pm.

A portion of sales will be donated to our school. Sounds like a night to skip cooking and eat out as a family. This is a great way to support our school.

Thank you for supporting our local business partners who give back to students.
