Coach's Corner

Fitness goals can be hard to start and even harder to keep going. Days off and other life events can get in the way of achieving your goal. Here is a way to help you get back on track with a fitness goal. Start with a small goal, achieve it, then progress to a bigger one. Set a fitness goal you know will be easy for you – like walking for 10 minutes three times per week. After a few weeks, see if you can progress to 15 or 20 minutes, or add another day. Feeling a sense of accomplishment will help keep you inspired.

GUIDANCE CORNER

Happy Counselors' Week, Ms. Walters

We appreciate all that you do to support students at Scenic Heights! You fill our bucket every day!

Kindergarten celebrated the 100th day of school! Students are 100 days smarter and the teachers look a lot older!

**Little Caesars
will host Spirit Day for
Scenic Heights on
February 11th.**

A portion of sales will be donated to our school.
Sounds like a great day to have pizza for lunch or skip cooking and get pizza for dinner.
Thank you for supporting our local business partners who give back to students.

You want to show your school spirit?? PTA is working on spirit shirt orders. Visit the PTA page by scanning the QR code (same as join PTA page) to view options.
