Congratulations KG Students of the Month

Nuwairah Kamal
Christopher Peltzer

March 17th-21st
School will be closed

Coach's Corner

Heart disease is the leading cause of death in the United States. The month of February is dedicated to raising awareness about heart disease and increasing knowledge about prevention. Educate yourself on the dangers of heart disease and get on track to better heart health. It's never too early to start learning about heart health. Some helpful tips to help your heart include: join a team or organization, enjoy family outings by riding a bike or taking a walk, give gifts that promote fitness like bikes and jump ropes, and try to be active after school. The more you move, the more your heart beats! Keep that heart happy and healthy!

GUIDANCE CORNER

February is a great time to focus on being kind and “filling buckets”. Please continue to share the love of kindness throughout the month. Make sure to treat others as you would like to be treated.

In a world where you can be anything...

Be Kind

Little Caesars will host Spirit Day for Scenic Heights on March 11th.

A portion of sales will be donated to our school. Sounds like a great day to have pizza for lunch or skip cooking and get pizza for dinner. Thank you for supporting our local business partners who give back to students.

You want to show your school spirit?? PTA is working on spirit shirt orders. Visit the PTA page by scanning the QR code (same as join PTA page) to view options.

FEBRUARY FIELD TRIPS

Some of our 4th graders were able to visit the Youth Art Focus Exhibit at the Pensacola Museum of Art.

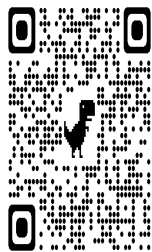

PTA Carnival Meeting
Monday, February 24th
6:00 pm in Cafeteria

Parents are invited to attend this informational meeting. Input and any help for our annual Spring Carnival is appreciated. Class booths will be discussed and selected. Thank you for volunteering!
