every day, on time!**

**It is important for students to be on time
each day ready to learn and show what
they know.**

**Please encourage students to keep a
regular routine: get a good night's sleep,
eat a healthy breakfast, and be prepared.**

**Our Bulldogs are ready to do their best!
Please Do NOT bring cell phones, blue tooth
watches or ear buds as those items are
NOT allowed!**

**We look forward to celebrating
our students' success!**

Coach's Corner

With spring in full swing, many students and families begin to think about the end of the school year. When it's warm and light outside, it can be more difficult to enforce bedtime, but it's super important to help your child continue to get a good night's rest through the end of the school year. Stick to your child's regular bedtime and continue to make time for homework and at-home reading. Help your child develop responsibility and perseverance by maintaining that good learners do what they need to do until the job is done. Sunny days and a looming summer vacation can't stop motivated and eager learners! Maintaining your school-year schedule will help reinforce these beliefs.
