Children with poor oral health often miss more school and receive lower grades than those with proper care. Set your child up for success by scheduling routine dentist appointments every six months. Make sure your child is brushing their teeth every morning and every night for two minutes. A healthy dental routine will help prevent cavities and bad breath.

GUIDANCE CORNER

Fill Someone's Bucket this week!

BUCKET FILLING IS:
SHOWING KINDNESS &
RESPECT FOR OTHERS

BUCKET DIPPING IS:
BEING MEAN TO
OTHERS ON PURPOSE

Please join us for a PTA meeting at the end of Open House, Thursday, September 12th, in the school cafeteria @ 6:00 pm. We appreciate your input regarding planned projects.

Breakfast is served from 6:45-7:08. Students must be at school early enough to get to their class for their breakfast card and in line before the bell at 7:08.

This takes a few minutes so, if students need breakfast, they need to be at school by 7.
