

# Month of the Military Child Activities for All Roadrunners

## ROADRUNNERS:

April is Month of the Military Child. It was established in 1986 by then-Defense Secretary Caspar Weinberger. It is the month we recognize the contributions of children whose parents serve in the military. Experiencing frequent moves, family separations through deployments, and reintegration following deployments can make school, home, and community-life challenging for military children. Yet, even in such circumstances, these students continually demonstrate resilience and courage. MOMC is a time to say and show thanks to those kids. Our school will participate in the following activities during the month of April to show them support.

**Monday April 8th** Camo Day wear your favorite Camouflage gear

**Monday April 15th** Purple Up Day wear all things Purple (shirt, socks, hair accessories etc.)

**Monday April 22nd** Red White and Blue Day you know what to do

**Monday April 29th** Rep your branch wear your branch's logo or wear Purple again

**Tuesday April 30th** we will welcome Military Parents to come have lunch with their student(s). Please RSVP at
