

Escambia County School District

Code of Conduct/Sportsmanship Form

2024-2025

We (student and parent/guardian) understand that as an athlete representing my school, I am responsible for my conduct and behavior in the athletic program of the Escambia County School District. A student-athlete who commits unsportsmanlike acts before, during or after a contest will be subject to suspension levels and possibly assessed monetary fines as determined by the designee of the FHSAA Executive Director.

We realize that under Florida High School Athletics Association (FHSAA) regulations, a student-athlete may be ejected or disqualified for committing an unsportsmanlike act or a flagrant foul.

In the event of my ejection or disqualification while representing my school, we agree to pay a fine of \$50.00, or reimburse the school the actual FHSAA fine, whichever is greater, and cannot participate until all fines assessed are reimbursed to the school.

We further understand that the FHSAA may not allow me to participate in athletic contests as a result of my ejection or disqualification for unsportsmanlike conduct. We understand that as a student-athlete I am subject to additional disciplinary action by the principal of my school depending on the severity of my actions.
