Making Threats and False Reports via FortifyFL

All threats of violence made towards schools, students, or staff will be investigated by school officials and law enforcement. Those responsible for making threats will face serious consequences including arrest, restitution, and expulsion. Students arrested for school threats have been charged with felonies (836.10 F.S.)

Parents and guardians should discuss the consequences of making false threats via FortifyFL or social media with their students. False threats can result in life altering consequences.
