The school Advisory Council is a group of parents, teachers, administrators, staff, community members, and students who provide input on important issues concerning our school. Membership must reflect the economic and ethnic school community. Membership in SAC requires commitment. We meet at least four times a year at 12:00 p.m. on the WFHS campus.

Anyone with a vested interest in West Florida High School wishing to serve on our committee OR nominate someone to serve on the West Florida High School SAC should fill out this application/nomination and return this form to the West Florida High School front office by Tuesday, October 1, 2024.
