

Northview High School Lunch Detention

Lunch detention can be assigned by any classroom teacher or teacher's aid. Lunch detention is used for minor offenses or level 1 referrals. Lunch detention is located in the ISS room which is the classroom between the media center and cafeteria.

Lunch Detention Procedures

1. Use your **pink or orange slip** as a pass to go to the front of the lunch line. If you are more than 5 minutes late reporting to lunch detention then you will need to repeat the day.
2. If you are absent on the day of your assigned detention then you must report to lunch detention the day you return to school.
3. Failure to attend lunch detention will result in a level 1 referral for failure to report to assigned detention. At that point, your detention will be doubled. If you still choose not to attend, then a major referral will be issued and you will be assigned ISS.
